### Recommendations/Testimonials

- “Karen (*Royal Restrooms*) did a great job! We host a backcountry mountain bike race every year, and RRP's level of service is outstanding. Very clean shower units, and they are willing to work with a non-typical event that involves long distances on less-than-ideal roads. Nothing but a pleasure to work with, fast and professional communication. 100% recommended for all of your portable restroom/shower needs in the Oregon & Washington area.” ~ *Nathan Frechen*
- “Royal Throne has quickly become a staple in the local Portland film industry and rightfully so! Karen, Rod, and their family are nothing short of wonderful. Not only are they incredibly attentive to our industry's unique, (and sometimes difficult) needs but they are an absolute pleasure to work with. Their professionalism and quickness to respond, coupled with their kind and personable demeanors make this company worth it alone. Their units are clean, comfortable, and even come with such thoughtful amenities. You can often smell spearmint on our crews' breath as they talk about the song they just heard on their latest trip to the bathroom. Royal Throne sets an impressively high standard and I feel so lucky to work with these amazing people. I cannot recommend them enough.” ~ *Film/TV Locations Representative*
- “We used Royal Restrooms to supply restrooms/showers for a construction team of 20 people here from Mississippi. They were clean and met the needs of our group. They were delightful to work with and went above and beyond to meet our needs. THANKS ROYAL RESTROOMS PORTLAND.” ~ *Pathway Church*
